# MOTHER

## Thorne & Cross

Claire felt as if a hole had opened and she'd tumbled down, down, into a cold and haunted place. "It can't be." Her mind reeled, a stripped gear, grinding, unable to catch. She stared at the message in her inbox, not moving, barely breathing.

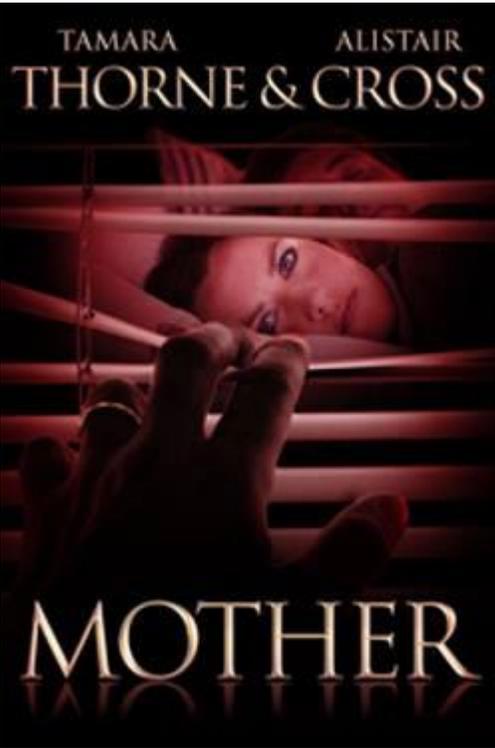

"I'm not dead."

"I'm not dead. And I'm coming back."

**A Girl's Worst Nightmare is Her Mother...**

Priscilla Martin. She's the diva of Morning Glory Circle and a driving force in the quaint California town of Snapdragon. Overseer of garage sales and neighborhood Christmas decorations, she is widely admired. But few people know the real woman behind the perfectly coiffed hair and Opium perfume.

**Family is Forever. And Ever and Ever...**

No one escapes Prissy's watchful eye. No one that is, except her son, who committed suicide many years ago, and her daughter, Claire, who left home more than a decade past and hasn't spoken to her since. But now, Priscilla's daughter and son-in-law have fallen on hard times. Expecting their first child, the couple is forced to move back... And Prissy is there to welcome them home with open arms... and to reclaim her broken family.

### The Past Isn't Always as Bad as You Remember. Sometimes it's Worse...

Claire has terrible memories of her mother, but now it seems Priscilla has mended her ways. When a cache of vile family secrets is uncovered, Claire struggles to separate fact from fiction, and her husband, Jason, begins to wonder who the monster really is. Lives are in danger - and Claire and Jason must face a horrifying truth... a truth that may destroy them... and will forever change their definition of "Mother."

### Thorne & Cross

Thorne & Cross are the authors of the bestselling *Ravencrest Saga* and *The Cliffhouse Haunting*. Together, they also host the thriller-themed radio show, Thorne & Cross Haunted Nights LIVE! which features acclaimed dark fiction authors. Tamara Thorne's international bestsellers include *Haunted*, *Moonfall*, and *Eternity*, and Alistair's novel, *The Crimson Corset*, was an immediate bestseller, earning praise from Chelsea Quinn Yarbro of the *Saint Germain Cycle*, and Jay Bonansinga of *The Walking Dead* series. Thorne & Cross are currently at work on their next collaboration as well as new installments of the ongoing *Ravencrest Saga*, and their upcoming solo novels.
